When an application is approved, Applicant will be notified by mail of next available exam dates. The exam will be open book and given at the Board’s office. Further information will be included with approval information. Complete application must be received in the office one week prior to the next available test date to be considered for that date.

All applicants are required to utilize “CastleBranch.com” to submit a nationwide criminal record report to the Board (attach a paper copy of the background report to this application). Applicants are required to pay the reporting service for the cost of the report. Answering falsely or submitting an inaccurate criminal record report can be considered fraud or deceit in obtaining a license and could lead to the denial of your application as well as prosecution under G.S. 87-23 and G.S. 87-25. The Board shall not consider the examination application of a person who has been convicted of a crime involving fraud or moral turpitude until at least one year has elapsed following the applicant’s completion of the terms and conditions of any punishment for the conviction, except for unsupervised probation.

The examination is designed to measure the applicant’s knowledge of the process of performing NFPA inspections. Each question has only one correct answer. Therefore, the examinee should read each question carefully and then select the one answer that is the most complete and correct. Each examination question is designed to test one particular point of the subject matter. The wording is straightforward and there is no intent to mislead or present “trick” questions.

**TO ALL LICENSEES**

If any former employee asks that you sign a form verifying his/her work experience so as to qualify for an examination, you must complete these forms to the extent of your knowledge.

An unjustified refusal to sign appropriately documented forms provided by the applicant will lead to an appearance before the Board’s Resolution Committee.

The Board understands that on occasion employees are dismissed due to lack of skill, tardiness, substance abuse, theft or other reasons. In such situations, you may wish to provide additional information to the Board by separate letter addressed to Exam Coordinator. The Board will consider all such information within the limits of its duty and authority.
