Applicants are required to pay the reporting service for the cost of the report. In making this application to the State Board of Examiners of Plumbing, Heating, & Fire Sprinkler Contractors for a license under the provisions of Chapter 87 of the General Statutes of North Carolina and the Rules of the State Board of Examiners, I swear (or affirm) that I am the applicant named herein and that all information provided in connection with this application is true to the best of my knowledge and belief.

Applicant's signature Date

On this application, the Board asks questions about a license applicant's criminal history. In addition to the questions on this application, the Board may conduct a formal criminal or disciplinary history check. Answering "yes" to any of these questions or having a conviction, disciplinary or adverse employment action is not automatically a basis for denial of licensure.

When an applicant has a criminal conviction, the Board will consider:

- (1) The level and seriousness of the crime.
- (2) The date of the crime.
- (3) The age of the person at the time of the crime.
- (4) The circumstances surrounding the commission of the crime, if known.

- (8) Any affidavits or other written documents, including character references.

If Board staff is unable to approve an application, the applicant has the right to request to have that application heard by the members of the Board. Any such request should be submitted in writing to the Board's Executive Director. The Board will conduct that hearing pursuant to the North Carolina Administrative Procedure Act and the Board's own hearing rules. As a result of the evidence presented at that hearing and considering the considerations outlined above, the Board may refuse to grant or may condition a license if it finds any of the grounds for doing so under North Carolina Gen. Stat. § 90-85.38(a).

If the applicant wishes to appeal the Board's final decision, the applicant may seek review of the decision by filing a petition for judicial review in the Superior Court pursuant to Article 4 of the Administrative Procedure Act, North Carolina Gen. Stat. § 150B-43 *et seq.*
