

Notice of Required Period Rules Review

North Carolina General Statutes section 150B-21.3A requires all state agencies, including occupational licensing boards, to review the North Carolina Administrative Code (Rules) every ten years. In accordance with the statute, the Board has reviewed its existing rules, N.C.A.C. Title 21, Chapter 50 – State Board of Examiners of Plumbing, Heating and Fire Sprinkler Contractors

The Board’s website includes a [spreadsheet](#) that lists all the Board’s existing rules and their corresponding determinations. Also on the website is a [link](#) to the full text of all Rules.

“Public comment” is defined by G.S. 150B-21.3A(a)(5) as a written objection to all or part of rule. Additionally, pursuant to G.S. 150B-21.3A(c)(2), in order for the Rules Review Commission to determine whether the public comment has merit, the public comment must address the specific substance of the rule and address any of the standards of Commission review, as set forth in G.S. 150B-21.9(a).

Comments may be sent to the Board via US Postal Service (USPS) or other delivery service (UPS, FedEx, etc.) and email at the address noted below. To be accepted, all comments must be received by 5:00 p.m. on March 4, 2025.
